

MAYFLIES (EPHEMEROPTERA)			Month of the Year (A=1st half; B=2nd half)												
FAMILY	Genus	species	4B	5A	5B	6A	6B	7A	7B	8A	8B	9A	9B	COMMON NAME	
BAETIDAE	Baetis	spp	—————												BLUE WING OLIVES
METRETOPODIDAE	Siphloplecton	basale	-----											GREAT SPECKLED DUN	
EPHEMERELLIDAE	Ephemerella	subvaria	-----	-----										HENDRICKSON	
HEPTAGENIIDAE	Stenonema	femoratum		-----										REDDISH/BRN QUILL	
LEPTOPHLEBIIDAE	Paraleptophlebia	adoptiva		-----										MOHAGANY DUN	
ISONYCHIIDAE	Isonychia	bicolor*		-----	-----									SLATE DRAKE	
EPHEMERELLIDAE	Ephemerella	invaria/rotunda		-----										SULPHUR	
EPHEMERELLIDAE	Ephemerella	dorothea			-----	-----								PALE EVENING DUN	
LEPTOPHLEBIIDAE	Leptophlebia	cupida			-----	-----								BLACK QUILL	
SIPHONURIDAE	Siphonurus	quebecencia			-----	-----								GREY DRAKE	
EPHEMERELLIDAE	Drunella	cornuta			-----	-----								LG. BL. WG. OLIVE	
EPHEMERIDAE	Ephemera	simulans			-----	-----								BROWN DRAKE	
HEPTAGENIIDAE	Epeorus	vitrea			-----	-----								PALE EVENING DUN	
HEPTAGENIIDAE	Stenonema	vicarium			-----	-----								MARCH BROWN	
EPHEMERIDAE	Hexagenia	limbata			-----	-----								DK. MICHIGAN	
HEPTAGENIIDAE	Stenacron	interpunctatum			-----	-----								LT. CAHILL	
POTAMANTHIDAE	Anthopotamus	myops/verticus				-----	-----							Wolf River Cream	
EPHEMERELLIDAE	Serratella	deficiens				-----	-----							IRON BLUE DUN	
CAENIIDAE	Tricorythodes	stygiatus				-----	-----	-----						TRICO	
EPHEMERELLIDAE	Attenella	attenuata					-----	-----						BLUE WING OLIVE	
EPHEMERELLIDAE	Drunella	lata					-----	-----						BLUE WING OLIVE	
LEPTOPHLEBIIDAE	Paraleptophlebia	mollis					-----	-----						MOHAGANY DUN	
HEPTAGENIIDAE	Stenonema	mexicanum					-----	-----	-----					LATE CREAM	
EPHEMERIDAE	Ephoron	leukon						-----	-----					WHITE WULFF	
EPHEMERIDAE	Hexagenia	atrocaudata							-----	-----				DK. GREEN DRAKE	

*I herperi & salderi have been reclassified as bicolor; a bivoltine species (multiple generations in same year).
